## ***Air Seychelles extends cooperation with AVIAREPS to Sweden***

*General Sales Agent now representing Seychelles' national carrier  
in thirteen territories worldwide*

4 October 2010

Air Seychelles, the national carrier of the island state Seychelles, now extends its existing cooperation with AVIAREPS to Sweden. From its subsidiary in Stockholm, headed by Paul Riddez, the world's leading airline and tourism management company will handle all ticketing, sales and marketing activities within the country with immediate effect. AVIAREPS has already been contracted as General Sales Agent (GSA) of the well-respected carrier in twelve other territories.

Air Seychelles offers connections from major cities worldwide such as Paris, London (Heathrow & Gatwick), Rome, Milan, Johannesburg, Singapore and – starting in November – also Chennai to its base airport in Mahé, the largest island of the Seychelles. The airline serves its international routes with four state-of-the-art Boeing 767 aircraft. Air Seychelles also operates around 30 daily domestic flights between the islands Mahé and Praslin.

Honeymooners and discerning tourists, in particular, as well as divers and nature tourists favour this exotic destination in the Indian Ocean and are frequent guests of Air Seychelles. In addition, the island chain enjoys

increasing popularity as an exceptional destination for golf holidays. For travellers wishing to visit other destinations in the Indian Ocean during their vacation, the airline cooperates with Air Austral and Air Mauritius to offer him the “Indian Ocean Pass”.

**About Air Seychelles**

Air Seychelles is the national airline of the Republic of Seychelles. Air Seychelles was officially created in 1978 as a domestic airline. International flights started in

1983, with the first weekly flight to Europe: Seychelles – Frankfurt – London. During the twenty years that have passed since this first service, Air Seychelles has become a well-established international airline with one of the youngest fleets in the Indian Ocean, operating flights to 8 destinations on three continents. The airline operates its national and domestic flights with two Boeing 737-300ER, two Boeing 737-200, two SHORT SD3-60 SC SHERPA and three DHC-6 Twin Otter aircraft.
