From 2014 onwards, Ralf held several CFO positions, amongst others at Haeberlein & Mauerer (today 'haebmau'), one of the top ten owner managed PR and communications companies in Germany, at Ketchum Pleon, an Omnicom Group communications company, at ROBUR Group, an industrial services group with entities all over the world, where he was in charge of acquisitions of new company purchases, and at Congiv, a ROBUR purchased consulting, solutions and service partner in the IT and telecommunications industry.

Ralf joined AVIAREPS in May 2022 as Chief Financial & Corporate Affairs Officer with a direct reporting line to the Chief Executive Officer. In this current role, Ralf is responsible for the company's financial strategy and operations, as well as corporate affairs, investor relations, legal and departmental human resources.

Outside of the office, Ralf enjoys spending time with his family and doing his favorite sports kickboxing and skiing. Especially the latter is helpful for him to fully switch off, improve focusing and find a counterbalance to the office work.
